

Biography

Harinder Malhi

Harinder Malhi represents Brampton wards 9 and 10 as a trustee for the Peel District School Board. It was her experience as a Peel board student and graduate that inspired her to represent her community at the board level.

As a trustee, Harinder is committed to building strong relationships between students, parents, staff and community members. She enjoys speaking with students, being a part of their education and sharing their successes. Harinder believes we are all lifelong learners and that knowledge is power. She enjoys the responsibilities trustees have to make decisions that help prepare Peel children for their future.

For many years, Harinder has been actively involved in many community organizations. She was an administrator for summer camps and volunteers with municipal, provincial and federal organizations. Harinder also supports non-profit organizations such as the Canadian-South Asians Supporting Independent Living (CSASIL) Association in Brampton, and collects donations for local shelters and food banks.

Harinder has worked in Brampton for the past 15 years, in sales at a large telecommunications firm and currently as a realtor with Royal Star Realty. Harinder is passionate about spending time with her family. She also enjoys staying up-to-date with current events—particularly Canadian politics, a topic she describes she can discuss for hours on end.
