

ARC Meeting #5 – Meeting Notes

Mississauga Field Office, Lyndwood Room

November 9th, 2016 6:30 p.m.

Item	Notes / Minutes
Welcome	Jane Mason welcomed the group to the final ARC meeting and provided an overview of the agenda.
ARC Report	Jane Mason thanked the ARC members for their input into the development of the ARC report that has now been submitted to the Director. Referring to slides, she summarized the ARC report, noting that the ARC supported four of the recommendations in the Initial Staff Report and proposed three alternate options. Jane Mason advised that all of the ARC's alternate options have been endorsed by staff and included in the Final Staff Report.
Sharing of Preliminary Final Staff Report	<p>Suzanne Blakeman provided an overview of the Final Staff Report, reviewing each recommendation and the implementation dates. She highlighted the section of the report that references the development of the transition and implementation plans, noting that it is in this section that the ARC's additional suggestions are referenced with regard to architect consultation with principals; the inclusion of innovative Vocational programming, supported by capital improvements; capital improvements to support the ASD program at Glenforest S.S.; and the provision of appropriate resources and staffing at Glenforest S.S. and Gordon Graydon Memorial S.S. during the 2017-2018 transition year, if required.</p> <p>Jane Mason noted that Suzanne Blakeman's presentation at the public meeting will include the same slides, but with a more fulsome explanation of the recommendations and corresponding rationales in the Final Staff Report. Jane Mason also explained that the transition and implementation plans would be developed after the approval of the Final Staff Report.</p>
Group Dialogue	In small groups, the ARC talked about what meeting attendees may want to hear and talk about at the upcoming public meeting, so that staff could address these points in the presentation. Following the small group dialogue, each table shared their points with the larger group. Some of the points discussed included: timelines for course selection for students in the ELP program who may now potentially attend The Woodlands and Lorne Park S.S.; communication that students will not need to reapply to the IBT and GDM programs when/if programs move; honouring the traditions and artifacts of GGMSS; ensuring a smooth transition for students -particularly the emotional aspects of these changes; the impact, if any, of the Lakeview Legacy development; and an in-depth rationale for all recommendations, including finances, transportation flow and why these programs should be redirected to these schools.

<p>Format of Public Meeting- ensuring opportunities for the public to provide feedback on the Preliminary Final Staff Report</p>	<p>With respect to the public meeting, Jane Mason shared the following:</p> <p>Communication about the meeting will include: mobile signs in the community, an ad in the Mississauga News, synervoice messages and flyers sent home with students. Those planning to attend the meeting will be asked to RSVP on the Peel website so that we can plan for the number attending. She also noted that there is another small event being held at Port Credit S.S. on November 23 and that signs will be posted at Port Credit S.S. to ensure that those attending the PAR meeting are directed to the cafeteria.</p> <p>In terms of set up for the meeting, Jane Mason advised that the posters of the architect renderings, the Final Staff Report recommendations and demographic maps will be posted around the room and that long table with chairs will be set up as they were for the first public meeting. Arrangements will also be made for City of Mississauga staff to set up a display and answer questions regarding the Lakeview Legacy project, which is still in the very early draft stage.</p> <p>The group provided input into the format for the event, as outlined below:</p> <p>Jane Mason will welcome everyone, then introduce the trustees and ARC members and ask them to stand as a group.</p> <p>Jane Mason will very briefly comment on the work of the ARC and note that the Final Staff Report reflects the alternate options and suggestions put forward by the ARC.</p> <p>The Final Staff Report will be presented by Suzanne Blakeman, Randy Wright and Scott Moreash. The presentation will reference ARC support for recommendations as well as a detailed explanation and rationale for each of the recommendations. Next steps in the process will be shared with the group.</p> <p>In order to gather feedback, there will be a Gallery Walk to provide attendees with an opportunity to review the recommendations and support material, to post feedback on the recommendations, and to record and post questions. Staff and members of the ARC will be available throughout the room to provide further information to individuals</p> <p>Following the Gallery Walk, there will be an opportunity for staff to answer the posted questions, and for members of the public to ask questions of staff. The Q & A session will continue for as long as necessary.</p> <p>Feedback gathered at this public meeting will form part of the overall Community Consultation section of the Final Staff Report, along with all other feedback received since the beginning of the process. This compiled feedback, along with any delegation feedback from presentations to the Board in January, will complete the Community Consultation section of the Final Staff Report.</p>
