

PAR implementation update

Website post – TL Kennedy SS

Dear TL Kennedy Secondary School families,

As you may know, last year, the Peel District School Board approved recommendations from [the Pupil Accommodation Review](#) to close Gordon Graydon Memorial Secondary School and move its Vocational and Autism Spectrum Disorder programs to Glenforest, and its International Business and Technology and Graphic and Design Management programs to TL Kennedy.

As the result of funding and construction delays at Glenforest, the Vocational and ASD programs will remain at the Gordon Graydon building until Glenforest is ready in 2019. Please note these delays do not impact the movement of the International Business and Technology and Graphic and Design Management Programs to TL Kennedy. These programs will move to TL Kennedy as planned for the start of the 2018-19 school year.

As always, we are committed to implementing the recommendations from the Pupil Accommodation Review and providing regular updates to our school community. If you have any questions, please feel free to contact me at the school.

Sincerely,

Lea-Anne Greene-Smith
Principal
