Final Staff Report

The Challenge:

**Declining Secondary
School Enrolment in
South Mississauga**

**Too few students
spread among too
many schools**

**Timetabling becomes
increasingly difficult**

***Less
program
choice for
students***

The Recommendations:

Close a Secondary
School

Move programs to bring
students together and
make more efficient use
of secondary schools

Increase the range of
programming and
courses

*Improve
educational
options and
opportunities
for students*
