The Peel District School Board is proud to serve some of the most diverse communities in all of North America. As an OCT accredited AQ provider, the Peel board is taking that wealth of experience and providing it to the education community through the [Teaching English Language Learners Part 1 \(TELL-Part 1\) additional qualification course](#).

The Peel Board launched the first ever STEP (*Steps to English Proficiency*) app and was one of the first boards in Ontario to implement the STEP framework district wide. Your instructors have current, firsthand experience and expertise in meeting the needs of multilingual learners. They will support you as you develop your confidence in supporting English language learners (ELLs) throughout the curriculum in a variety of settings.
