More about Turner Fenton:

Turner Fenton's mission is to empower all to participate, learn and succeed.

The school is named after J.A. Turner, the Peel board's first director, and W.J. Fenton, a pioneer educator. The school consists of two buildings – the north hall and south hall.

Staff believe that students who are committed to the school community are more likely to value their school experience and be able to balance areas of success and enjoyment with areas that might be more demanding. Teams and clubs offer structured, supervised opportunities for students to gain knowledge, skills and values.

Staff believe students will become responsible citizens who will pursue lifelong learning and actively contribute to the future of the global community.
