More about Applewood Heights:

Since 1966, Applewood Heights Secondary School has been preparing students from the Mississauga south community for post-secondary. Students develop talents and skills in a safe and equitable environment. The school community; including students, parents, staff and alumni, work diligently to maintain a tradition of excellence in academics, athletics and the arts.

Applewood Heights offers a robust mainstream program in all curricular areas, for all grades, including the French Immersion program.

Applewood Heights offers a Regional Sports Program (RSP) open to all eligible students in Peel. Applications allow entry at the end of Grade 8. RSP students will participate in physical education all year and also engage in leadership opportunities within the school and neighbouring community. Students may choose to complete a SHSM (Specialist High Skills Major) in Sports. SHSM students in Grades 11 and 12 are engaged in a program that provides focused courses on sports and leadership combined with additional sector certifications and experiences that are linked to post-secondary plans.

The school's extracurricular program offers students a complete range of athletic teams, music groups and a variety of clubs and organizations in which to get involved.
