Erindale Secondary School

(9-12; Regional Communications, International Baccalaureate (IB) School

2021 Dundas Street West
Mississauga L5K 1R2

Highlights:

- ❖ Building skills for the 21st Century based on a long tradition of academic excellence.
- ❖ An inclusive community supporting a rich extracurricular program. Student develop leadership skills in athletics, music, the arts, Interact, DECA, HOSA, Model UN, Reach, LINK Crew, Peer Coaches, Computer Club, AV Club, Emerging Leaders and more.
- ❖ “Character in Action” philosophy fosters academic success and good citizenship.
- ❖ Recipient school of the Premier’s Safe School Award in 2015.

More about Erindale:

Erindale Secondary School is focused on developing graduates who have the knowledge and skills to be successful in the 21st Century. Our goal is to develop students who have good character and are compassionate, life-long learners who become invested global citizens. Our program “Character in Action” merges the IB Learner Profile with Erindale’s Character Counts philosophy and encourages students to take care of themselves, each other and their community.

At Erindale, staff help each student find success and experience a sense of achievement. The school provides a supportive environment for students to achieve their full potential. Erindale Secondary School reaches out to the community to further support students through parent, neighbour and business partner involvement.

Erindale is an IB World School for the International Baccalaureate (IB) program. Our Diploma Program (DP) provides students the opportunity to earn an IB Diploma as well as the OSSD. The pre-IB program prepares students in grade 9 and 10 who successfully pass the application process for the Diploma Program.

Erindale is one of the sites for the Secondary Regional Communications Program for students identified with learning disabilities who require specialized learning and/or technology support. In addition, the Inclusion Program provides an integrated program for students who have a developmental delay. Both of these programs are accessed through the Central Special Education Department at Peel District School Board.
