More about Judith Nyman:

Judith Nyman Secondary School is a workplace destination school in Brampton. The school's mission is to prepare students to be productive citizens in society – whether it be through the world of work or further education.

Judith Nyman Secondary School is ideal for students who enjoy hands-on, technical programming and for students interested in learning a trade, entering an apprenticeship or moving on to a technical program at the college level.

Judith Nyman Secondary School offers a unique selection of applied, locally developed, workplace, college and open courses. Upon graduation, Judith Nyman students receive an Ontario Secondary School Diploma or Certificate, a graduation portfolio listing specific mastered skills, and a work performance record. The graduation portfolio tells employers what they want to know, giving Judith Nyman graduates an edge when looking for employment.

Tours are offered at Judith Nyman every Thursday morning throughout the winter and spring. Tours can be arranged by calling the school's counseling department.
