More about Lincoln M. Alexander Secondary School:

Although Lincoln M. Alexander SS officially opened its doors in September 2000, the school formerly known as Westwood Secondary recently celebrated its 50th anniversary. Our school is truly a fixture in the Malton Community, producing generations of graduates who contribute greatly to the community and country and have gone on to lead successful lives.

At Lincoln M. Alexander, students are encouraged to take initiative, self-advocate, and make use of opportunities to develop confidence, leadership, and effective communication skills. Our students are challenged to make a positive difference within the school community and to strive to be active members of society.

Students who attend our school are involved in a wide range of curricular and extra-curricular activities that support social, emotional, intellectual, and physical growth. Extra-curricular sports teams include Junior and Senior Boys and Girls Basketball, Volleyball, Cricket, Tennis and Table Tennis. Additionally, Lincoln Alexander S.S. offers a variety of extra-curricular clubs and councils such as the Student Activity Council, the EcoTeam, the Gay Straight Alliance, the International Student Club, and the Interact Club. We produce well-rounded, grounded young adults who are more than prepared for their post-secondary pathways.

SPECIALIST HIGH SKILLS MAJOR (SHSM)

TRANSPORTATION

In order to meet the high demands for quality skilled workers in the Transportation Industry, Lincoln M. Alexander is excited to offer this program. The Specialist High Skills Major (SHSM) at LMASS involves students completing a package of courses that meet the needs of all students with an interest in developing skills in a career in the Transportation Industry. The Transportation Industry acknowledges and supports the program through certification and appropriate industry placements.

In order to complete an SHSM in Transportation Technology students:

1. Complete a bundle of 9 specific courses (see chart below);
2. Complete Sector Certifications and/or training programs;
3. Participate in experiential learning and career exploration activities within the sector (e.g. co-op work experience, job shadowing, job twinning);
4. Learn and document the industry Essential Skills and work habits using the Ontario Skills Passport;
5. Gain "Reach Ahead" experience connected to the student's post-secondary plans.

SHSM students may complete credits from any pathway in combination according to the following chart:
