Captain Feathers**

Highlights:

- ❖ **Specialist High Skills Major (SHSM) offered in Arts and Culture (Advertising), Hospitality and Tourism.**
- ❖ **Our Grade 9 program places an emphasis on student success through the Learning Skills course while still offering student choice for two elective courses.**
- ❖ **State-of-the-art facilities and technology provide exciting program opportunities in the Arts, Business Studies, Computer Studies, Health and Physical Education, and Technological Education.**
- ❖ **We are an eco-friendly school and have proudly received an Eco-Schools certification for the past 5 years for our waste minimization and greening efforts.**

More about Louise Arbour:

Having served the vibrant and multicultural North East Brampton community of Springdale since our doors opened in September 2010, the staff and students of Louise Arbour Secondary School attempt every day to live out our school motto: "Soaring to Success".

We are dedicated to developing meaningful connections with all members of our learning and working communities through community involvement, staff and student collaboration, and our commitment to open and honest communication. Inspired by our namesake, a former UN high commissioner for human rights and life-long champion of fairness and inclusivity, we are united by our common purpose and school-wide focus of promoting social justice, equity, respect for diversity, and fostering a culture of peace through authentic learning experiences. This positive cross-curricular philosophy provides students with a multitude of dynamic leadership opportunities while inspiring them to become socially responsible citizens of the world.

Offering dozens of clubs and sports teams, Louise Arbour Secondary School encourages its students to become active participants in their own high school experience. Our friendly and devoted staff model transferrable skills for all post-secondary pathways and build character education into their lessons and interactions with students, helping to develop well-rounded young adults who are ready to meet all of life's challenges with a high degree of success. We also offer Specialist High Skills Major (SHSM) programs in both Arts & Culture (Advertising) and Hospitality & Tourism, providing students with applicable and relevant knowledge and experience that will give them a competitive edge in the 21st century job market.

SPECIALIST HIGH SKILLS MAJOR (SHSM)

ARTS AND CULTURE

Northeast Brampton is a rapidly growing region, with residential, commercial and institutional development. According to the Peel Halton Workforce Development Group's "Trends, Opportunities, Priorities Top Report for April 2010," Brampton has identified specific industry subsectors to meet their future economic development and employment needs including entrepreneurship, innovation and new product development. Advertising and graphic design play a key role in facilitating the development and promotion of these needs by working with local businesses to help them promote their new business and innovative products/services. In order to meet this demand, Louise Arbour Secondary School is excited to offer this unique program. The Graphic Design and Marketing Industry acknowledge and support the program through certifications and appropriate industry placements.

The Specialist High Skills Major (SHSM) – Arts & Culture with a focus on Design & Marketing exposes students to a variety of advertising areas including events planning, creative layout, copyrighting, graphic design, marketing and project management using industry-specific technology available at Louise Arbour Secondary School. The students in this program will complete a package of courses that meets the needs of students with an interest in developing the skills necessary for a career in the Design and Marketing Industry. The Design and Marketing Industry acknowledges and supports the program through certification and appropriate industry co-operative learning placements.

In order to complete an SHSM in Arts and Culture – Advertising students must:

1. Complete a bundle of 8 specific courses (see chart below);
2. Complete Sector Certifications and/or training programs;
3. Participate in experiential learning and career exploration activities within the sector (e.g. co-op work experience, job shadowing, job twinning);
4. Learn and document the industry Essential Skills and work habits using the Ontario Skills Passport;
5. Gain "Reach Ahead" experience connected to the student's post-secondary plans.

SHSM students may complete credits from any pathway in combination according to the following chart:

	Apprenticeship		College		University		Workplace	
	Grade 11	Grade 12	Grade 11	Grade 12	Grade 11	Grade 12	Grade 11	Grade 12

* For additional information on specific SHSM program course requirements, see a school guidance counsellor.

SPECIALIST HIGH SKILLS MAJOR (SHSM)

HOSPITALITY AND TOURISM

The Hospitality & Tourism industry is both a global employer, as well as an expanding employment sector in the growing Region of Peel, (Region of Peel finance report, 2012). This SHSM program will produce graduates to help fill the ongoing demand for well-trained or qualified people to become part of the Hospitality & Tourism industry. The Vicinity Jobs Inc. website reports that despite current economic challenges, employment in the service sector continues on its long-term upward trend, growing 2.0 percent since October 2010 and that the subsector experiencing the most growth is accommodation and food services, which has risen by 8.2 percent. The Peel Region is a major area of residential and service industry growth, with an estimated population growth rate of 11% or more than 160,000 more people within the next 9 years (Region of Peel finance Report, 2012). As development moves further north into the new subdivisions being created around Louise Arbour Secondary School, there is a noticeable increase in new restaurants, hotels and catering/banquet halls to support the new residents of these areas. New establishments are opening weekly in North Brampton, including restaurants, grocery stores, and hospitals and catering companies, offering a wide variety of new partners that can provide sector-related experiential opportunities and long term employment for our students.

Our program is designed to provide our students with authentic life experiences such as catering and serving lunches in our school restaurant and preparing food for our rapidly expanding school catering business. Experiencing “real life work” first hand and perhaps will give practical opportunities to determine if this is an area of employment that they would like to pursue following secondary school. By offering the students a wider range of sector-related courses and CLAs, students will better understand the realities of the Hospitality & Tourism industry.

In order to complete an SHSM in Hospitality students must:

1. Complete a bundle of 9 specific courses (see chart below);
2. Complete Sector Certifications and/or training programs;
3. Participate in experiential learning and career exploration activities within the sector (e.g. co-op work experience, job shadowing, job twinning);
4. Learn and document the industry Essential Skills and work habits using the Ontario Skills Passport;
5. Gain “Reach Ahead” experience connected to the student’s post-secondary plans.
