

LEADERSHIP DAY

SINCE 2014

RIDGEWOOD PUBLIC SCHOOL

A Leader in Me Lighthouse School

Proudly Presents

3rd Annual Leadership Day

April 28, 2016

Come and see student leaders in action!

You're Invited to Our Leadership Day!

Ridgewood Public School's Leader in Me Program builds a unique environment of leaders where the principles, practices and habits of The 7 Habits of Highly Effective People® by the Stephen Covey Foundation are embedded into our school climate. See the Leader in Me process in action as it defines our school culture, informs our instructional practices and supports the curriculum. Our leadership lifestyle forms the fundamental principles for effective leadership of our students, staff and parent community. Come join this special leadership opportunity as our school opens its doors to share the success of our amazing community of leaders! Experience student-led presentations showcasing student voices from Kindergarten to Grade 5 and explore leadership classrooms while interviewing our teachers through open-house classroom visits. Afterwards, join the conversation on our discussion panel of student, parent and teacher leaders as we inspire greatness together!
