More about Louise Arbour:

Having served the vibrant and multicultural North East Brampton community of Springdale since our doors opened in September 2010, the staff and students of Louise Arbour Secondary School attempt every day to live out our school motto: "Soaring to Success".

We are dedicated to developing meaningful connections with all members of our learning and working communities through community involvement, staff and student collaboration, and our commitment to open and honest communication. Inspired by our namesake, a former UN high commissioner for human rights and life-long champion of fairness and inclusivity, we are united by our common purpose and school-wide focus of promoting social justice, equity, respect for diversity, and fostering a culture of peace through authentic learning experiences. This positive cross-curricular philosophy provides students with a multitude of dynamic leadership opportunities while inspiring them to become socially responsible citizens of the world.

Offering dozens of clubs and sports teams, Louise Arbour Secondary School encourages its students to become active participants in their own high school experience. Our friendly and devoted staff model transferrable skills for all post-secondary pathways and build character education into their lessons and interactions with students, helping to develop well-rounded young adults who are ready to meet all of life's challenges with a high degree of success. We also offer Specialist High Skills Major (SHSM) programs in both Arts & Culture (Advertising) and Hospitality & Tourism, providing students with applicable and relevant knowledge and experience that will give them a competitive edge in the 21st century job market.
